SPIRITUAL

MAN must give to God, the source and final goal of his existence, all that he can give Him, the full service of his body and soul. The Religion course in a Catholic school cannot be considered a subject in the same way as are Mathematics, Science or Languages, for the virtue of religion must permeate the whole life of a Christian and must therefore unify the whole educational process.

The objectives of the religion program at St. Michael's are to help a student to habitually love God; to aid in forming those habits of soul and body which will make one more sure, more steady and more firm in his confidence in God and His promises; lastly, to help a young man to know his religion by believing all that God has revealed that he may live his faith, spread God's love and bring happiness to others.

To assist the students in the formation of good habits, the Holy Sacrifice of the Mass is celebrated each morning in the school Chapel, Confessions are heard every Friday afternoon and on Thursdays preceding First Fridays, a retreat for vocations is held before the feast of St. John Bosco, January thirty-first, and a three day retreat is conducted during Holy Week.

Religious Doctrine

A group of Grade XIII students stop before entering St. Michael's Cathedral to receive their diplomas for Religious Doctrine and Catholic Life from Cardinal McGuigan.

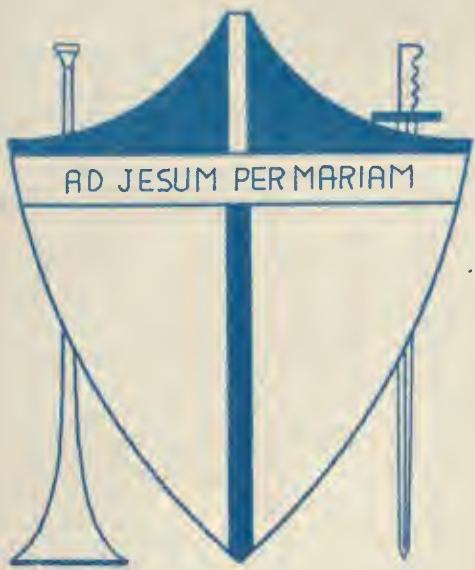

11-4 Religion Class says the Marian Year Prayer.
Receive, O Most Sweet Mother, our humble
prayers.

Father O'Brien gives the Blessing at Benediction of the Most Blessed Sacrament on Sunday evening, for the Staff and Boarders.

His Eminence, Cardinal McGuigan, assisted by Fr. Flanagan and Fr. Wall, presents a diploma to Frank Kiely, while Brian Quealey, Rinaldo Prato and Brian Sheedy wait in line.

The purpose of the organization called the Sodality in a Catholic school is the forming of lay apostles chiefly through developing devotion and filial love toward the Blessed Virgin Mary. Its general program includes spiritual, intellectual and social activities under the direction of the Sodality Moderator.

How this group progresses depends on the members' realization of their duties and obligations. Here at St. Michael's the results have been more than successful for not only has this group obtained the trust of the student body, shown in the amount pledged for a Shrine to our Blessed Mother, but also the foremost purpose of the Society has been gained to a great degree by means of Days of Recollection and successful Sodality meetings within the school and with the other Catholic schools of the city.

Through the self-sacrifice and generosity of the student body well over four thousand dollars has been collected this year to assist the missions at home and abroad.

The "M"—man contest realized eight hundred and fifty dollars and as usual, provided good fun and wholesome rivalry for ten days.

A word of praise is in store for the Mission reps for the enthusiasm they kept alive in their classes, and the fidelity with which they made their weekly returns. The co-operation of the Executive and the student body have made this a banner year in the long mission tradition at St. Michael's.

Retreat

The Boarder's retreat preached by Fr. Lacey C. S. B. of Holy Rosary Parish was held during the Palm Sunday weekend. The Day Scholars' retreat ran through the first three days of Holy Week. Fr. Dorsey C. S. B. of St. Michael's College was the Retreat Master. The conferences held the interest of all and the appreciation of the student body is extended to Frs. Lacey and Dorsey for the time and energy they expended in making the retreats so interesting and instructive. Surely, Our Blessed Lord will bestow many blessings on the student body during the coming year for the excellent manner in which they made their 1954 retreat.

Mary Immaculate

THE opening of the Marian year on December eight last, reminds us of the debt of gratitude we, as Basilians, owe to the Immaculate Mother of God, who is the first of our special patrons.

The century of our life in America began and ended with a chorus of praise to her. As Maria Immaculata, she stood at the cradle of our Congregation here. Two years before the definition of the dogma of the Immaculate Conception, we opened our first school on this side of the Atlantic under the name of Le Petit Séminaire de Sainte Marie de Toronto (later to become St. Michael's College), adopting as its crest the figure of Mary Immaculate on a blue shield. On the great day of the definition itself, it was a Basilian, Father Moloney, who preached the sermon in St. Michael's Cathedral, at the ceremony which expressed the joy and gratitude of English-speaking Canada. In such a Marian atmosphere our work began here, and when the century had run its course it was the same glorious patroness who stood to greet us, once again the object of the world's acclaim, under the title of Maria Assumpta, recently proclaimed a dogma of faith. In our own way we had already anticipated the link between the two titles, founding our second college under the name of the Assumption at Windsor as early as 1857, and our second parish at Owen Sound under the same title in 1863. Thus we grew to our present stature, looking back to Maria Immaculata, and forward to Maria Assumpta.

The intervening years were marked by continuous acts of Basilian homage to the Queen of Heaven. Our first foundation in the United States, a parish in Detroit in 1886, was named in honour of her mother, Ste. Anne, which is also the title of our parish in Houston, more recently established. We launched our Pontifical Institute of Mediaeval Studies under the patronage of Mary in 1929, inscribing the figure of Our Lady, Seat of Wisdom, on its official seal. We began our work in Western Canada in 1933 in a school at Calgary, named St. Mary's High School for Boys. We opened our Mexican missions at the Church of Our Lady of

It is most fitting then that our schools, and especially our eldest, St. Michael's should, in this Marian year dedicate its yearbook in filial affection to

Guadalupe in Rosenberg in 1939. During all these years we had quietly begun to have our profession of vows on the feast of the Assumption and the feast of the Holy Name of Mary. It was therefore perfectly in line with the trend of our piety that the General Chapter of 1948, accepting the suggestion of the Holy See, dedicated the entire Congregation to the Immaculate Heart of Mary.

Another historical fact of deep significance I should like also to recall. The climax of American Catholic devotion to Mary will likely be reached with the completion of the world-famous shrine of the Immaculate Conception at Washington, which is now in prospect. The Bishops of U.S.A. aim to raise many millions of dollars for this work in the near future and push the construction to the end. Now it is a matter of pride to us that it was a Basilian who initiated this great act of homage. Father Aboulin, one of our noblest links with Old France, and who lived among us till but a few years ago, urged Monsignor Van Antwerp of Detroit, who in turn urged Cardinal Gibbons to begin the shrine. This is on record in a memorial volume to the Detroit Monsignor and may be verified. It is also on record that Father Aboulin left the valuable cruets and chalice of his Golden Jubilee to the National Shrine at Washington as a sign of his part in the pageant of praise of which it will be the culmination.

And so the song of our Basilian life in the new world has a Marian orchestration. Doubtless we caught the note from the spirit of the Church in our time, but the record shows that we were born as a Congregation with that harmony in our ears. It was in a parish of vine-clad Ardeche in Old France, dedicated to Notre Dame d'Annonay that we began our existence as Basilians, when our founders first took vows on November 21, 1822, the Feast of the Presentation of Mary. Quite in keeping was it then with one of our proudest tradition that we recently revised our official coat of arms to place in the lower left quarter of the shield the fleur-de-lis, symbol of the purity of Mary.

Mathematics

A moment of sheer delight when Fr. Egsgard uses logarithms instead of multiplication and division.

COURSES of study prescribed by the Department of Education for the five grades of high school in Mathematics are as follows: three years of Algebra, two years of plane and one year of analytic Geometry, one year of Trigonometry and Statics and one year of Business Practice. At the completion of such a course it is hoped that a student has learned to think logically, and secondly, can see the practicality of Mathematics in daily life.

Father Faught's Trigonometry class knows by now that $\sin(A+B) = \sin A \cos B + \cos A \sin B$.

The solution of a function of X is illustrated with this problem within a problem in Fr. Whelan's Algebra class.

Fr. Crowley checks the materials for an experiment in Chemistry.

Science

GENERAL aims of the Science Department are to familiarize the student with the physical laws of nature and to help them to understand the natural phenomena of daily life. In the first two years a student is introduced to the general laws of non-living and living components of the universe. The course in eleventh and twelfth grade is more concerned with physical and chemical laws. In thirteenth grade there is a continuation of these studies along with a course in the biological sciences, botany and zoology.

Languages

The study of Latin and Greek not only impart a knowledge of the language and the literature, but also show the contribution of Roman and Greek life to modern civilization.

The Modern Language Department aims to develop a skill in reading and in writing, and in conversation by understanding the way of life and mode of expression of other peoples.

English and Public Speaking

The Characters of the "Tale of Two Cities" are discussed in Fr. Conway's English class.

ENGLISH is probably the easiest and yet the most difficult subject in the curriculum. It is the easiest since everyone knows it before he studies it; it is the most difficult because it demands so much accuracy in speaking and in writing. A course in Public Speaking is prescribed for each grade at St. Michael's and a Debating Society is formed to assist the formal English classes.

Fr. Gorman looks for grammatical mistakes in his English class.

Social Studies

An answer in his Social Studies class is awaited by Mr. Beaton.

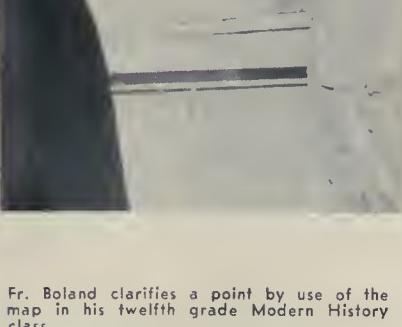

The History Department, which includes Social Studies, Canadian History with Civics, Ancient and Mediaeval and Modern History, aims not only at imparting a factual knowledge of customs, manners and activities of peoples both past and present but also at instilling a true appreciation of good citizenship and democracy.

Geography, as an option in Tenth, Eleventh and Twelfth Grades deals with physical environment, social activities of peoples and their reciprocal relations.

Ken Gribbons stops after an explanation in Fr. Stortz's Geography class.

Mr. Hathaway with some of his 11-3 Ancient and Mediaeval History class.

Fr. B. McCarron (Eng.)

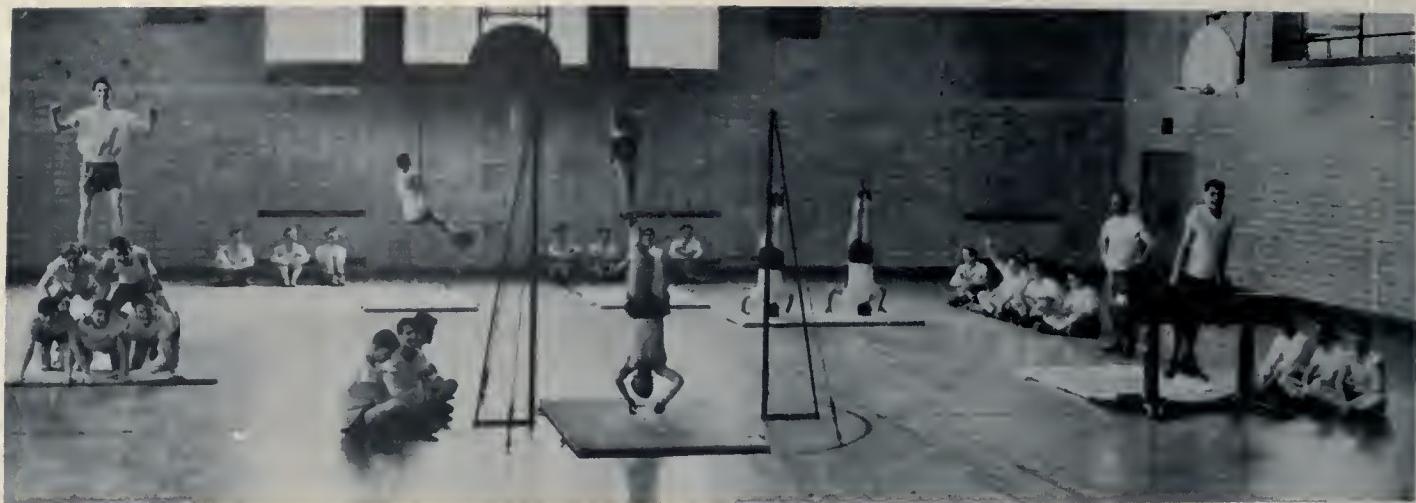

Mr. J. McGee (German)

Mr. J. McManus (German)

Mr. Cerre's P.T. class are instructed in the art of Tumbling.

Physical Training

SINCE health is not merely the absence of disease or infirmity, it is important that a student realizes that some form of physical activity helps to assure health and fitness and brings recreation, refreshment and relaxation. To this end, instructions are given at regular gym periods for the first four years at St. Michael's. It is hoped that physical, mental and social well-being will be the result of this course prescribed by the Department of Education.

P.T. classes exercise in the open air as much as possible.

THREE hundred and twenty-nine boys took shop classes this year. Oxy-acetylene welding was introduced as an option for the senior students. The new planning room equipped with many plans and references books made possible a greater emphasis on drafting and designing.

The course now consists of a class period each week for every Grade IX student. In each of Grades X, XI and XII, it is taken as a Matric option by one class. Instruction is given in carpentry, machine shop practice, drawing, painting and finishing, oxy-acetylene welding, ornamental metal work and various other special arts and crafts.

SCHOLARSHIP

THE GRADS

Rev. Father H. Basil Regan, C.S.B.
Principal

CATHOLICS have chosen our Blessed Mother as Queen of their hearts because of the wonderful honour which God from the depths of the riches of His wisdom and knowledge first paid to her. The faithful have ever sought new titles with which to honour her and new ways to love and praise her.

But as high school students on pilgrimage from the last years of childhood to the first years of young manhood you have a special reason for loving and imitating her. You are seeking the maturity and perfection of a Christian mind and body and heart. No other human being has been so Christ-like as our Lord's own mother. Hers was the mind that schooled Him in His earliest years and taught Him to lisp His first words. Hers the body which formed and nurtured Him and which was worthy to be assumed into Heaven with Him. Hers the heart forever sinless, which first offered with Him His passion and death and which now from Heaven communicates the fruits of that passion to us.

But among all the sacred mysteries of God's dealings with Mary there is one which is especially significant for you. God's infinite wisdom and patience fits everyone and everything into its proper place in His plan for the world. Seventeen centuries before the first Christmas he began to prepare for the birth of His only-begotten Son from a perfect mother by making His promise to Abraham. Eight centuries before the event He foretold through His prophet Micheas that this perfect mother would bring forth her child in Bethlehem. When our

Blessed Mother was formed in the womb of St. Anne He guarded her perfection by saving her from the stain of original sin. And then as she blossomed in wisdom and grace and beauty in the home of her parents He watched over her and still bided His time till after all those centuries she would become the perfect mother of His Perfect Son.

The unsearchable mystery of this is that she had reached that perfection of mind and body and heart which He expected of the Mother of God at an age when a student today would only be beginning his high school studies; for most of the theologians and scriptural historians agree that she was only about fourteen. Of course it is true that in Israel children mature more quickly and marriage occurs at a younger age than is common among us. But that a God for whom a thousand years are as one day would deem that then, the little maiden of Nazareth was ready to be the perfect mother, not in ten or five or two more years, but then at fourteen, that is the mystery.

If you think about this and reflect on it in your hearts you will begin to see how wonderful is the wisdom of God and how marvellous a model he has given you for your growth into the fullness of Christian manhood. Then perhaps, kneeling at her feet, you will be able to ask her for that increase in life which will make you grow strong in those perfections of heart and mind and body which she so perfectly possessed.

FR. J. TIMMONS, C.S.B.
Moderator of the Student
Council

The Student Council

This year the Student's Administrative Council accomplished several objectives including the purchase of an oil painting of our school patron, St. Michael, which is hung in the main entrance to the school, the financing of the Double Blue Ball, the installation of lights in the parking lot on the east side of the school, the donation of trophies to the Debating Society, to the winners of the Public Speaking Contests and to the winners of the All Ontario Catholic Basketball Tournament. The Moderator of the Council was Fr. Timmons, who was a great aid in making decisions and in the running of the Sock Hops, which by the way, were very successful this year.

BLUE BALL

THE annual Double Blue Ball was held this year on the evening of Friday, February thirteenth, in the magnificently decorated school gymnasium, to the strains of Bert Niosi's melodious orchestra.

The couples attending the dance were graciously received by Father Regan, Patrons of the Dance and members of the Student Council Executive, beginning at 10:15 p.m. after which the charming queen of the Ball Yvonne Bray, selected by Mrs. Keenan, President of the Martha Guild, headed the Grand March around the luxurious ballroom. Refreshments were served and dancing continued until 1:00 a.m. It was evident that this eventful evening was enjoyed by all.

Martha Robert, Robert Murray, Betty Pike, Michael Keenan, Barbara Sutherland, Tim Donovan, Carolyn Raymond, D'Arcy Brooks, Marian Reddall, and Carl Markerth.

The Martha Guild

THE end of each academic year marks a growth and a further stage of advancement in the Martha Guild which now completes its fourth year of operation. The benefits, which this closer contact between the home and school has achieved, could not be adequately acknowledged here.

The social activities of the Guild have been highlighted by the Fall-Bridge-Euchre-Fashion Show; the November requiem Mass and breakfast; the Rummage Sale; the convening of the Parent-Teachers Meeting; the Membership Tea; and the Easter Dessert Bridge.

Sincere thanks are in order for all those who have attended the regular meetings so faithfully; for those capable ladies who so graciously accepted the chairmanship for each social event and so efficiently carried out the numerous responsibilities that the position demands.

The President, Mrs. J. S. Keenan, the Membership Convener, Mrs. J. C. McCullough and the entire Executive Committee extends an invitation to all mothers to join the Martha Guild, and to share with them the many blessings both spiritual and temporal which the Guild provides.

Quarterback

With only one purpose in mind, the improvement of school facilities, this faithful group of men assemble every Thursday evening, to direct the Bingos. The interest and zeal of the members for St. Michael's College School is not confined to the weekly bingos for their faithful support is one of the main reasons for the success of our sports program.

On Sunday, March 7th, they conducted the Football Award Night at which all the champion football teams were honoured. Chuck Klein, coach of Balmy Beach O. R. F. U. team, was the guest speaker of the evening and a technicolour film of the highlights of the Big Four scheduled games was shown. The evening was completed with a lunch prepared by the wives of the members.

During the Christmas vacation and on St. Patrick's Day, the members and their wives played hosts to the school faculty with a very enjoyable evening of entertainment.

The Old Boys' Association was formed in April, 1945 under the inspiration of Father V. I. McIntyre, Principal from 1936 to 1946 and Paul McNamara and a group of zealous former students. The immediate occasion of its birth was the first Double Blue Ball which was sponsored for the College School and held at the Royal York Hotel. A month later the Old Boys laid on a Victory Banquet for the Majors who were Memorial Cup Champions.

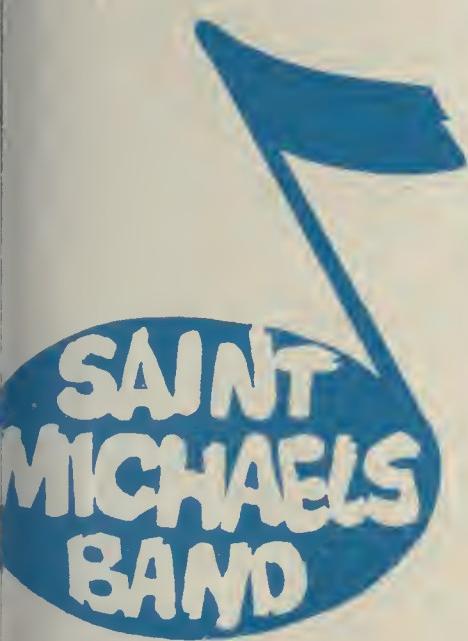

From that beginning, the O. B. A. has gone on to promote the interests of St. Michael's in many ways; for example, in organizing reunions, in patronizing the activities, in contributing \$20,000. to the building of the present school, and in playing a leading role in the recent Centennial celebrations and campaign.

The present Executive was elected at the Memorial Mass and Communion Breakfast in November, 1953.

Mr. Charles Cerre, Fr. Flanagan, C.S.B., Dr. Joe Cooney, Mr. John Miron, Mr. Joe Crothers, Dr. Terry McDonough.

Mr. Joni Guerriere, Bandmaster, conducts a daily class for the brass section of the Band.

The School Band, under the direction of Joni Guerriere and the Moderator, Fr. Wm. O'Brien C. S. B., fulfilled again this year, its function of bringing music to St. Michael's. The increase in Band membership has been very encouraging, as well as the interest shown by new-comers in the field of music. The Band played at the football games here on the school grounds, and accompanied the Majors to Kitchener. In addition to its Christmas Concert, held in the Gym, the Band once again staged a successful Annual Concert — its 16th — in Massey Hall, with the assistance of the Loretto College School Choral Group.

The 1954 Tower Staff like all other yearbook publishers had to work hard and toil hours on end to meet the many deadlines necessary to produce a book on schedule. With George Longo at the helm and his capable assistants Gerald Londe and Dave Hogan, the pictures and copy were blended together with the splendid art work of Bruno Apollonio to create some little token dedicated to Our Blessed Mother in this Marian Year.

The cover was designed by the one and only John Ligoure whose work has been a mainstay of previous books. Roy McGann, Jim Cameron and John Bottrell helped out with their artistic ability.

This section of the yearbook work was under the close supervision of Father Gregoire C. S. B. who vouches

St. Luke Society

An exploration of the great wealth of knowledge to be gleaned by actual contact with the great variety of flora and fauna in the open fields or along the banks of a gurgling brook holds a deep fascination for any red-blooded boy. When there is added to this an opportunity to investigate the very beginnings of human habitation in this area in the excavations of long since extinct Indian Villages, a rare opportunity is indeed offered to widen one's perspective. The members of the St. Luke Society have had the privilege during the past year of acquiring the fundamental techniques necessary to biological field work and to archeological investigation.

Aeroplane Club

The Model Aeroplane Club is a new activity at St. Michael's. Under the direction of Father Penny and Mr. Church, this group got off to a flying start with a contest. To confuse matters a boy named Paul Jordan from another school took first prize. The Executive decided to alter the rules for future contests so that no one outside the walls could win. The motto of this club is "We'll keep 'em flying".

The Stamp Club

The Stamp Club with Mike Roger as President, Andrew Jaworski as Secretary and Dave Hogan as Treasurer, has had a very successful year. A new catalogue and some new stamps were purchased from the money gained by dues and by selling carbonated water at the Sock Hops. Stamp contests were held at different times throughout the year with cash prizes going to the winner. This helped to encourage new membership and roused the old members to greater interest. Plans are being made to widen membership come September.

EXECUTIVE:—Andrew Jaworski (Secretary), Mike Roger (President), Jim Bawden (Vice-President), Dave Hogan (Treasurer)

THIS year, Debating took a new lease on life with the formation of a larger club. In all, thirty boys actively participated in debates with outside teams from as far distant as Rochester and Buffalo, N.Y.

The record reads as follows: against Aquinas (Rochester) we tied here and lost there; against Canisius (Buffalo) we won here and lost there; against Vaughan Road, we won one and lost one; to Oakwood we lost, although two of the three judges could not decide a winner; at East York S. M. C. won a unanimous decision; to U. T. S. we lost a close decision and to Regiopolis the senior S. M. C. team lost.

In all, it was a satisfactory year, good fun and good experience.

A highlight of the year was the ninth grade tournament in which some twenty-eight boys participated. John Shuman and Neil Hibberd won but only after a hard struggle over such sterling speakers as Tom McDowell, Brian Dening, Larry Kuzminski, Nick Wolochatiuk, Joe Mik, Tom Murphy and John Benson.

Many thanks are due to Father Gorman, Moderator of the Debating Society, who through untiring zeal and exceeding interest guided the debates to the great heights that their club attained this year.

PHOTOGRAPHY

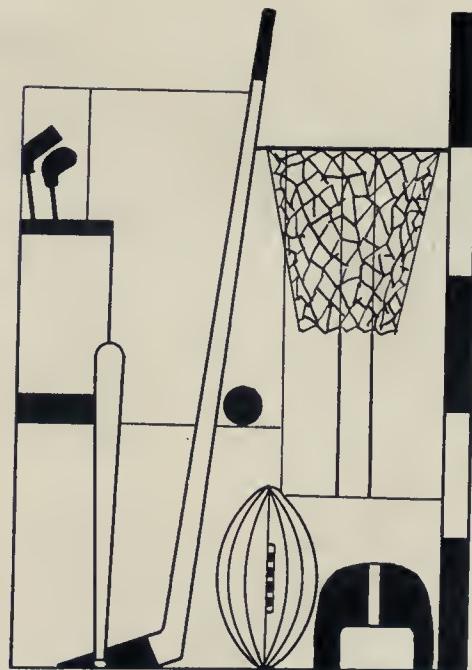

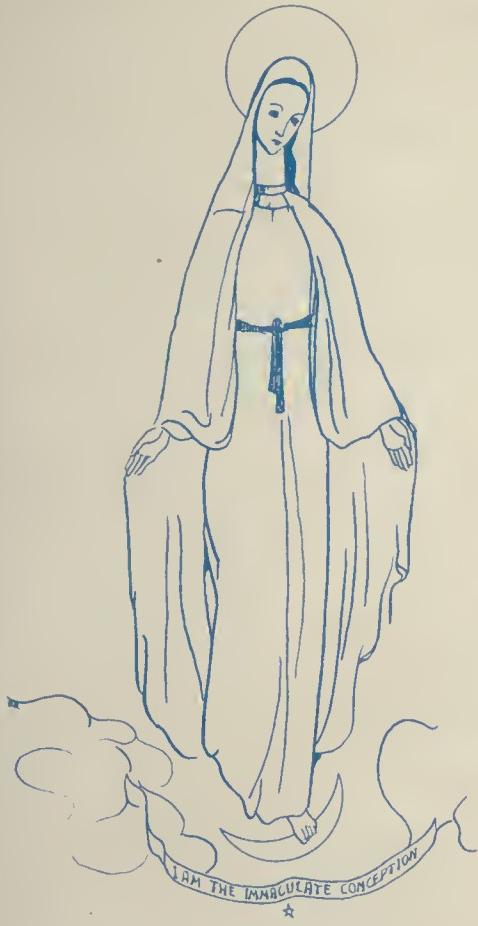

Under the expert leadership of Fr. J. Stortz C. S. B., the Photography Society skyrocketed to great success this year. This was the biggest year for the club in a long time. With help coming from such promising photographers as Frank Gardi, Warren Winkie, Peter Harrison and Ambie McCabe, and an ever growing supply of good equipment, notably the new Linhof press camera, the club has managed to take well over six hundred pictures this year including the Graduate Portraits, the Double Blue Ball, Sports, Debates and various other activities.

During the past summer, Baseball came back to St. Michael's with a bantam entry in the West Toronto Minor Baseball Association. Mr. Oser, C.S.B., and Father Goetz, C.S.B., coached the boys to the league finals where they bowed to a stronger Columbus Boys Club. The home games were played on the athletic field behind the school, thanks to the Quarterback Club, who allowed the team to use the football field, while the away games were scheduled for Earlscourt Park. The season was so successful that two teams, both Bantam and Midget, are being organized for the coming summer.

The Junior House League

The champions of the J.H.L. were not determined until the dying moments of the final playoff game. Queens who had gone through the regular schedule at the top of the league, were defeated in the last game of the playoffs 17-16 by a very spirited Varsity team. The quarter-backing of Kyle, the hard running of Lannon and Smith and the steady linework of Tomaiuolo and McKnight proved too much for the league leaders.

Such was the finale of an interesting and enjoyable season led all the way by Queens, followed closely by Varsity, with McGill and Western finishing in third and fourth spots respectively.

Senior House League

Calgary, under the coaching of Fr. O'Reilly, won the S. H. L. Championship for the second consecutive season. This year the champions went through the league schedule undefeated. In one semi-final Calgary was matched against Edmonton who had gone winless through the entire schedule. Winnipeg and Saskatchewan met in the other semi-final which was bitterly fought and proved to be the most interesting. This series went to the three game limit before Winnipeg emerged victorious. In the finals, Calgary led by Burt Clapperton, defeated Winnipeg to cop the crown.

Bantam League

The four-team Bantam League was won this year by Ottawa comprised of boys living north of St. Clair Avenue. The Champs, led by Gary MacPherson lost only one game during the schedule to Montreal and one playoff game to Argos. The Roughriders succeeded in dethroning the Boarder team who had won the laurels for the past two seasons.

Thanks are due to all those who helped to make the season an interesting and successful one, especially to the four coaches, Father Greigoire, Father Marshall, Mr. Pierce and John Vojtech, to Keith McNally and Rino Ouellette for their work in the equipment room and to all the referees who gladly gave their time.

Junior Football

Sparked by the running, kicking and tackling of fullback Frank Natale who led the team in T.D.'s this year, Father Conway's Juniors finished the season in second position. S.M.C. failed to win the O.C.A.C. Championship this year, not because they couldn't march up the field but because they were blocked by a very strong DeLaSalle line at the goal mouth. Good runs by Pete Kelly, Bob Pallante and Al Nasello, along with Kenny Hill's and Pete Bourke's catches of Steve Dempsey's deliveries, and the blocking and tackling of Frank Orsini and Rene Laviolette stalwarts on the line, made for a very heartening season.

Senior B Football

This year's Senior "B" Football squad made up of a group of inexperienced players presented a tough problem to their coaches Father Flanagan and Mr. Glynn. However, the team drilled long and hard and tested their skill in exhibition games against Northern Vocational, Lawrence Park and Aurora High School in preparation for their limited O.C.A.C. schedule. In the first game against St. Peter's in Peterborough they were downed 33-0. The return game was more interesting, managing to hold their rivals to a 16-5 win.

Mike Farah, Bruce Bridger, Bill Davenport, Phil Waters and Don LeMarquand played well throughout the season and should help bolster the Kerry Blues next year.

THE KERRY BLUES

This is the name for St. Michael's College School Senior High School Football team which competes in the Ontario Catholic Athletic Conference. For many years the team has been known as "The Fighting Irish" or "The Double Blue." This year the St. Michael's Quarterback Club sponsored a contest among the Catholic students of the city with the purpose of securing a fitting name for the football team; the name had to incorporate the ideas of IRISH, FIGHT, BLUE. The name chosen from over three thousand entries was "THE KERRY BLUES".

The name was considered the most appropriate. THE KERRY BLUE is the national dog of IRELAND; it has a shade of BLUE on its neck and back; it is noted all over the world for its terrific FIGHT.

Besides possessing the qualities of IRISH, FIGHT, and BLUE the KERRY BLUE is famous as a beautiful and high-class show dog endowed with keen "intelligence" and tremendous courage.

And so from now on our Senior Football Team is known as "THE KERRY BLUES".

Bantam Hockey

After the weeding out process in the early fall, sixteen eager bantams remained to do or die for the old Double Blue. In the pre-season tournament games the team had its ups and downs. Led by Denny Bell, Gary Atkins, "Rocket" Forrest and Bruce Keenan, they fought their way to win the Prep School group title in the traditional St. Michael's Fashion and to the city finals against those perennial opponents — the Toronto Marlboros. The nucleus of the team plus a few new stalwarts have been entered in the King Clancy Series and there is great hope of a championship. Good luck, St. Michael's Majors 1958 !

It matters not whether you won or lost but how you played the game.

The Minor-midgets boasting great power on all fronts went through the season with only one defeat. After downing Leaside in two straight, they bowed out to a power-packed Marlboro outfit Captain Mike Draper and Bob Pallante were rugged on defence while Sonoski and MacDonnell were prolific scorers. Hurst, Hanks, Dodds and O'Donnell often checked the opposition dizzy especially in the two mid-season tilts at the Gardens where Father Ronan's boys upset Marlies by scores of 8-1 and 5-0. Benedet, Loughrin, Dockeray and Moran came up with some fine efforts. Don Keenan's superb goal tending was a big factor while Devon and Charest each had shutouts to their credit.

Midget Hockey

Next to Majors and Buzzers, the hockey name that appeared most in print this year was Monarchs, adopted by the St. Michael's Midgets. Maybe the moniker was too lofty, maybe they should have selected a more humble label like Orphans, in any case, whatever happened, it seemed that the Monarchs were Monarchs on the ice every time on every occasion except when the chips were down. They gave the fans plenty of scintillating hockey by registering the most unexpected wins and dropping a few sure things. The foursome of Dempsey, Keegan, Bruce and Angotti supplied the scoring punch while Sullivan, Darby, DeCarlo and Micallef formed a strong rearguard in front of the stellar goalkeeping of Jack Gariepy. McGroarty, Ryan, Repischak, Laberge, Teskey and Nasello rounded out the squad.

Minor Juvenile Hockey

With sixteen wins, three losses and a tie, Fr. Conway's Minor Juvenile squad led the six team major group this year. In a five game semi-final series, they ousted Marlboros and then met Downsview Canadians. Down three games, they fought back to notch a victory and then capitulated in the final game.

The team was capably led by Captain Pat Cushing. Pete Kelly and Don Jackson shared the goaltending, with the help of such stars as Tom Hayes, Richard Wojcik, Paul O'Neill, Mike Farah and Bruce Bridger, behind the blue line. The Bourke brothers, Tom and Pete, Steve Bochen, Dan Farrell, Jack Aldridge, D'Arcy Bird and John Robitaille shone up front. Last but not least, Tim "the fox" Donovan proved to be a capable Assistant Coach. Helped by Frank Mahovlich the the team beat Downsview in two straight and won the King Clancy Juvenile Championship.

Juvenile Hockey

After a shaky start the Juveniles blazed ahead in a fiery winning streak to the T.H.L. finals. This extra "zip" was provided for the "Orphans" by the phenomenal goaltending of Paul Burns in the nets and the hard work of Dennis Sheehan and Jack Kentish up front. Old reliables, Captain Bob Holmes, Don Cornett, Justin Low, and Gary Wadsworth kept up the drive to a two game lead in the finals against B and W. Then, following the current fad of St. Michael's teams they lost their next three games in succession and also the T. H. L. Juvenile "A" championship.

The season's success was greatly due to the skillful coaching of Tom McKillop, an alumnus of the school. All in all, St. Michael's first Juvenile team proved its worth.

For the third consecutive year Father Flanagan's Junior "B" team lost out to the Weston Dukes. Even though the team was plagued with injuries up to the final game our Buzzers played some thrilling, gruelling matches with Brampton, Scarborough and the Junior Marlboros before bowing out.

With Tommy Green between the posts, Angelo Comi Hugh Devine and Bob Watt on the rearguard and the high scoring line of Frank Mahovlich, Pete Buchmann and Pat Hannigan up front, the Buzzers sank many an opposing ship. The fierce checking line of Captain Jack Dockeray, Des Moroney and John Selby and the fine defensive play of Frank Howorth, Frank Dumsha and Tony Roman, helped to rock the opposition. Bench strength was provided by Paul Chase, Frank Gionna, Gerry Cronin and Lorne Molinski who frequently filled in for injured members of the squad. In conclusion, although no championship was won, future stars were born.

Off to beat the Teepees: Toppazzini, Reaume, Hugard, Henry (mgr.), Price, Retty, Duff.

After hugging bottom spot in the league standings for the first part of the 1953-54 season, the Majors climbed to the top by February. At that time the Lance, a student publication, predicted that St. Michael's would finish in first place and St. Catharines in fourth. It turned out vice-versa and Rex Stimers, the Garden City Galvanizer, had some fun with the prediction at the end of the season.

In the semi-finals the first team met the fourth. St. Michael's lost to St. Catharines, but what a series! It was a series of ties. In the third game the Teepees tied the score with seven seconds to go. At one time the Majors were four points up and needed only one point to win, but the "All tied up" feeling persisted. The tension burst a few valves of inspiration. Section-long streamers appeared at games advocating "Eradicate the Irish", "Wreck Rex", "Ruin Rudy". Baffling terms appeared in write-ups the "CKL" Line, the "CBC" Line to designate our own Caffery, Knox and Logan, and Gold and Black Cullens and Barlow. The city of St. Catharines turned "College" and invented a yell, "Let's go Teepees".

In the eighth game of a seven game series the fans were as nervous as the goalies. With less than five minutes to go, the score and the series was all tied up. So fitting! Such an excellent series! As Rex so often said — for he was our voice in a way too — "Hockey at its very best!" Winners and losers, congratulations, so well deserved!

The basketball houseleagues received a big boost this year from all directions. The schedule saw 15 teams fighting it out, although only 7 are pictured here. Both leagues were troubled with defaulted games, but this didn't dampen student interest.

Bantam Basketball

St. Michael's East and West Bantams were entered this year in a new basketball league affiliated with the O.B.A., the Catholic Bantam Conference. They played teams from St. Peters, Holy Cross and St. Joseph's Grade schools and from De La Salle. The latter team representing the Conference in the city playoffs, reached the finals. Thanks are due to Henry Clarke, fiery pilot of the East team and to the Flanagan brothers, Paul and Bryan, of the West squad, for their fine job of coaching.

Freshman Basketball

The ninth-grade basketball team, under the expert coaching of Eddie Lynch of the Senior team, went through their season of exhibition games with only two defeats. The hard checking and sharpshooting of these newcomers to the game of basketball, brought victory over such teams as Humber-side, Christopher House and St. Joseph's C.Y.O. The mighty-mite, Mike Smith, "Zeke" Swift, Doug Chambers and Bernie O'Leary fought fearlessly against tough opposition to produce thirteen wins out of fifteen games. Joe Doyle, Alex Borgiel and Bruno Anzil rounded out a well-balanced outfit.

Midget Basketball

Under the able coaching of Father Marshall, the Midgets aided by John Liotta, Jim Bruce, Pat Dunion, and Ken Hills, fought their way to the Toronto District Championship, defeating Saint Christopher House in the final of a two game total point series 41-36, winning the series by a score of 81-60.

Winning 25 of the 35 regular games, the team was the best midget team ever to grace St. Michael's, and entered the All Ontario Basketball Association finals at Windsor. Too bad, but the team lost to Windsor's Immaculate Conception Midgets in a very close sudden death game.

With the prospects of Joe Bass, Mike Bolton, Jim Bruce, Jim Bulai, Bill Burak, Jim Jackson, John Marshall, and Jack Nevins, eight players who will be back next year, it looks like a banner year for St. Michael's Midgets.

Junior Basketball

The Junior Basketball team, under the expert coaching instruction of Mr. J. Church C. S. B., found its first championship this year in the O. C. A. C. Having no veterans from last year's team, the majority of the team was picked from Freshmen. The only injury of the year went to Gene Cipparone, the captain.

De La Salle proved to be the teams greatest competition but were defeated in an exciting two-game playoff 41-40 and 45-26. Congratulations go to Mr. Church and to his great group of competitors for a very successful season.

Crown and defeated the best teams in Toronto including Central Commerce, T.S.S.A. Champions.

The backboard was controlled by Dick Barch who was high scorer with an average of 22 points per game. Visit

ON November 9th, 1953, St. Michael's College School was honoured by the visit of two very prominent Church officials, His Eminence Cardinal Leger of the Archdiocese of Montreal, recently elected to the College of Cardinals, and His Eminence James Charles McGuigan, Cardinal Archbishop of Toronto. This was the first time in the history of St. Michael's that two Cardinals have been present at the same time. The two distinguished visitors were shown through our school by Fathers Regan and Faught. Our Principal introduced our worthy Guest to the student body in the gymnasium and heartily welcomed him to our midst. Cardinal Leger replied with a very interesting discourse on his priestly life preceding his appointment to the Archdiocese of Montreal. After keeping the student body in almost unbearable suspense, His Eminence declared a holiday and Tim Donovan, President of the Student Council then led the students in a special cheer originated by Father Thompson. The two Cardinals left the gymnasium to the strains of "Boazer Brown" thus ending another glorious event in the annals of St. Michael's.

The two Cardinals gave their blessing before leaving.

LaMonte
Made in France Clarinet

Here's quality that convinces teacher, pupil and parents all at once!

LaMonte's forged nickel silver keys eliminate key headaches and turn doubtful renters into eager buyers... because LaMonte's action proves itself trouble-free. LaMonte's perfect intonation makes the beginner sound better to himself and his teacher. Its price "sells" the parent... because LaMonte is the lowest price French clarinet on the market!

General Information

Location. — St. Michael's College School is situated at the corner of Bathurst and St. Clair Ave. W. It can be easily reached from the Union Station, and from any part of the city by connection with Toronto street-cars. The address is St. Michael's College School, St. Clair Ave. W. at Bathurst, Toronto 10, Ontario.

System of Education. — While holding firmly to the best sanctioned methods of the past, St. Michael's College School also pays due regard to the clearly established results of modern pedagogy. Its curriculum of studies is in conformity with the recommendations of the Department of Education. Since Honour Matriculation is now required for entrance into the University of Toronto, the average student will take five years to complete his High School course. St. Michael's College School is an approved Private School.

Moral and Religious Training. — Mere book learning and mere intellectual training are not sufficient in themselves to build up a firm Christian character in the boy. To accomplish this aim, it is necessary to ground the student in Christian principles and to give him a systematic drilling in the practice of Christian virtue. To attain this end there is a graduated course in Christian Doctrine; and a religious atmosphere, through daily Mass, frequent Communion, an annual retreat, and various Religious Societies, is thrown around the student's life, so that each boy is thoroughly schooled in practical Catholicity. Day, week, and month are so arranged as to allow nothing but good influences to work upon the mind. Special stress is laid upon the power of prayer. Boys are encouraged to begin and end every act of life with prayer. Class hours, study, alternating with carefully supervised free time, result not only in keeping young minds and bodies actively engaged almost all the time, but also supply for the intervals when not so engaged, healthy topics of interest and conversation.

Retreat. — During the year three days are set aside for the consideration of the welfare of the soul. Spiritual instruction and exercises are given by some experienced preacher and the boys spend their time in the silence of meditation and prayer.

The junior years are the critical period in a man's life. The Retreat may be called a halting place, where the boy takes his bearings, traces out the road which Providence has designed for

him, and receives the necessary directions for the journey.

It forms the climax of the religious life of the year and frequently the turning point in a boy's career.

A STUDENT FAILING TO MAKE THE RETREAT IS NOT CONSIDERED DESIRABLE

Home Study. — The schedule at the College is so arranged for resident students that there is ample provision for study periods, during which all themes may be written and all recitations prepared. With regard to non-resident students, we earnestly request parents and guardians to insist that their charges devote at least two hours to home study. No parent should be so gullible as to accept excuses or "explanations" for consistent neglect or diminution of this study period. It is useless to expect good results unless sufficient time is given to home study, so that the topics explained in class may be thoroughly mastered. The school Authorities exhort parents to co-operate with them in developing habits of patient and thorough study, so necessary a preparation for the work of the upper grades. Parents are invited to confer from time to time with the Principal or Home Room Teacher regarding the progress of their sons.

Examinations and Reports. — Term examinations are held at Christmas and Easter, and the final examination in June. Within a few days of the completion of these examinations, a report of the work and attendance of the student is sent by mail to the parents. Parents are earnestly requested to manifest a practical interest in the progress of their sons by examining these reports carefully and by the adoption of emphatic measures, should the record of the term's work be unsatisfactory.

In order to be considered in "good standing" in the yearly promotions from class to class, a student must obtain at least sixty percent (60%) of the total marks obtainable, and not less than fifty percent (50%) in each subject. A student who, at any period of the year shows himself unfit for his class, will be placed in a lower class or requested to withdraw from the school.

The School Day. — Classes begin at 9 o'clock in the morning and continue until 3.00 in the afternoon, with an intermission of 40 minutes at noon for luncheon. During this time no student

is allowed to leave the school premises without the express permission of the Assistant Principal.

Transfers or certificates will not be granted to those students whose accounts with the Treasurer are unsettled.

No student will be received from another school unless he furnished credentials duly signed by the authorities of such school.

Resident Students. — The daily routine is so arranged for resident students as to provide amply for their spiritual, intellectual, and physical development. The rising hour is 7 o'clock. Holy Mass and breakfast follow in order. After breakfast a brief recreation is enjoyed. The regular school day then follows as already outlined. At 3 o'clock the students are free to recreate on the campus. Then follows a study period from 4.30 until 5.30. Supper is served at 5.30 o'clock, after which another hour is devoted to recreation. The evening study period extends from 7.00 until 9.00. At the close of study, night prayers are said, and then the students retire to their beds.

No special uniform is worn by the students. The ordinary clothes worn by other High School students is all that is required. Besides complete outfitts of clothing for summer and winter, each boarder should bring towels, bedroom slippers, a bathrobe, toilet articles, and a small mirror.

About once a month, marks and conduct being satisfactory, and the Assistant Principal having been notified in each case by the parents, a student may spend from 3.00, Friday, until 5.00 p.m. Sunday at his home.

All minor expenses, as for books, stationery, etc., are on a strictly cash basis. Hence each student should be kept supplied at all times with sufficient funds to meet current expenses. Nothing spoils a boy so effectively as extravagance in this matter. It is most unwise for boys to carry large sums of money about with them. The College will not pay bills contracted by students.

Day Students. — Parents are requested to co-operate with the school authorities in seeing that their sons are always clean and neat about their person and their clothes. In journeying to and from school, each boy must wear a collar and tie and suit coat. In inclement weather, topcoats and overcoats are in order. Sweaters, jackets of every description, are forbidden, except during recreation periods.

Though the school authorities are not responsible for the conduct of students while journeying to and from school, nevertheless, any boy

who is reported for misdemeanours on the street or street-cars, will be expelled from the school.

Whenever a student is detained at home for any class period, parents should notify the Assistant Principal by telephone, preferably between 8.30 and 9.30 a.m., of the same day. Upon his return to school, the student should bring a note of explanation from the parents, specifying definitely the time during which the boy was legitimately absent. These notes are necessary for our files.

Parents are informed that, except in cases of extreme urgency, students will not be allowed to leave their school duties to answer telephone calls.

The school assumes no responsibility for books or other articles which may be lost. A locker for books and clothing may be secured at a reasonable fee.

Any student who fails to make the annual retreat will be dismissed as undesirable. Missions, retreats or Forty Hours' Devotions conducted in the home parish are not considered as substitutes for the Students' Retreat.

Since the students are here with the Basilian Fathers only in trust, it is quite reasonable that the parents should co-operate with the school in every possible way to further the progress of their own children.

Each student is considered as far as possible, an individual case; any suggestion made by parents will always be treated with respect.

Athletics. — Sports will always be a great influence with the normal boy. Good health, the foundations of which are laid in youth, are rightly considered an important help to serious study and a valuable asset for success in after life. For this reason, all healthful forms of athletics are encouraged by the school authorities. Nevertheless it is our firm conviction that athletics come second to academic endeavour. At no time should sports interfere with daily class work. Parents are exhorted to see to it that the athletic activity of their sons does not interfere with their home studies. Prudent parents will not permit their sons to participate in any athletic endeavours, or to belong to any athletic organizations, without the express sanction of the school authorities.

Insurance. — All students registered at St. Michael's are covered by accident insurance. The coverage is granted with respect to an accident while on school premises during school hours, or while away from the premises but under the supervision of teachers or authorized persons.

Fees and Expenses

DAY STUDENTS

Tuition for the year is \$115.00 Tuition fees are payable half yearly in advance, \$57.50 upon entrance in September, and \$57.50 on January 7th.

If a student withdraws during a term, no refund is made.

New students are requested to forward \$5.00 registration fee, which will be credited to the regular tuition fee. This fee is not refundable should application be withdrawn.

RESIDENT STUDENTS

The year is divided into two terms. The fees for board, room and tuition are payable half yearly in advance, on entrance in September and on January 7th.

Fees payable on entrance	\$362.50
Fees payable on January 7th	\$362.50

N.B.— Any considerable rise in living cost may necessitate some increase in fees for board and room.

REMARKS

All payments should be made to the Treasurer.

Fees are payable on the first day of each term, and in no case will a student be kept whose fees are not paid.

No deduction is made for absence, except in case of protracted illness.

No student will be accepted unless payments are made in advance.

For a period of time less than a full term the charges are as follows: Board, room and tuition per week, \$20.00; per month \$80.00. Tuition only, per month, \$12.00.

Credits will not be given to any student whose debts to the school remain unpaid.

THE NEW LOOK

Charlie Grieco, Mike Doyle, Hugh Brown, Del Brown are wearing the New Look.

Beginning September, 1954, a semi-uniform consisting of sports jacket, along with shirt and tie or in lieu of the latter a sport shirt, is obligatory for all students. The jackets may be purchased at the school at the beginning of the Fall term or through the agency of Tip Top Tailors in Toronto. This apparel will be worn to and from school and in the class rooms throughout the day.
